Preheat DO to 350 degrees. Sprinkle coconut, pecans, (or walnuts), and white chocolate chips evenly in the bottom of a lightly greased Dutch oven or spring cake mix placed upon a trivet. Mix cake mix according to package directions, and pour over mixture.

In a medium bowl, thoroughly blend cream cheese, butter, powdered sugar and vanilla. Drop by spoonfuls onto cake mixture, covering entire surface, **DO NOT STIR**. Bake for 40 to 45 minutes.

An outrageously delicious cake----you'll be hooked after your first bite.

It makes a great "1-step" cake because it needs no frosting.

And if you have any doubts, just try it!
